0.00

*[number below 100] %***Other:***[number below 100] %***Of the materials listed above, what is the period of storage? ***

Normally 4-6 weeks.

CERTIFICATION

I certify, under penalty of law, that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I further certify that I am fully authorized by the owner and/or operator of the Materials Recovery Facility to submit this report. Should the signatory find at any time after submittal of the requested information that any portion of the submittal certified as true is false or misleading, the signatory shall immediately notify EGLE providing any corrections, explanations, or additional information necessary
