

Annual Report

Cycle: *Annual* | Year: *2024* | Status: *Completed*
Member Name: *Northeast Michigan Materials Management Authority*

MANDATORY REPORTER

I understand that the data entered below should only pertain to “Reportable recyclable materials” as defined in Part 175 Section 17501 (g): “Reportable recyclable materials”, subject to subdivision (h), means any of the following categories of recyclable materials that are separated from household waste or commercial waste, or from a combination of household waste and commercial waste, and that are delivered to a recycling establishment for recycling: (i) Glass. (ii) Paper and paper products. (iii) Plastic and plastic products. (iv) Ferrous metal, including white goods. (v) Nonferrous metal. (vi) Textiles. (vii) Single stream recyclable materials that include any combination of the materials listed in subparagraphs (i) to (vi). Household waste and Commercial waste are also defined in Section 17501 (a) and (c).

☒ Check the box if you agree on above statement. *

Reportable Recyclable Material RECEIVED

In State - Reportable Recyclable Material Received:

Row	Reportable Recyclable Material	In State Amount:	Units: *	In State - Total Tons Received:	Facility Name the Material was Received From
-----	--------------------------------	------------------	----------	---------------------------------	--

Total Tons In State Received:

Out of State - Reportable Recyclable Material Received:

Row	Reportable Recyclable Material	Out of State Amount:	Units: *	Out of State - Total Tons Received:	Facility Name the Material was Received From
-----	--------------------------------	----------------------	----------	-------------------------------------	--

Total Tons Out of State Received:

Reportable Recyclable Material SHIPPED

SHIPPED TO INSTRUCTIONS: Specify where your organization shipped or with whom you brokered your recyclable materials. Only include where or to whom your organization directly shipped or brokered your materials.

Hint: Note to Reporters: There is a new column in the table below. If Electronics recycler, End market user, Materials Broker, or Metal processor/scrap metal/salvage yard is chosen under the “Shipped To” column, please specify the name of the establishment your

organization shipped material to in the “If not listed provide shipped to facility name” column.

In State - Reportable Recyclable Material Shipped:

Row	Reportable Recyclable Material	In State Amount:	Units: *	In State - Total Tons Shipped:	Shipped to: *	Confirm “Shipped To” specific facility name *
1	Mixed Paper	236,200.00	Pounds	118.10	End Market User	Krell Paper Stock Company
2	Cardboard	513,200.00	Pounds	256.60	End Market User	Recycled Fiber Solutions LLC
3	Aluminum	44,941.00	Pounds	22.47	End Market User	A&L Iron & Metal Co
4	Tin	37,059.00	Pounds	18.53	End Market User	A&L Iron & Metal Co
5	Plastic #1 (PETE)	71,516.00	Pounds	35.76	End Market User	TABB Packaging Solutions LLC
6	Plastic #2 (HDPE Clear)	29,112.00	Pounds	14.56	End Market User	TABB Packaging Solutions LLC
7	Plastic #2 (HDPE Colored)	32,212.00	Pounds	16.11	End Market User	TABB Packaging Solutions LLC
8	Cardboard	44,780.00	Pounds	22.39	End Market User	Metro Recycling Solutions

Total Tons In State Shipped:

504.51

Out of State - Reportable Recyclable Material Shipped:

Row	Reportable Recyclable Material	Out of State Amount:	Units:	Out of State - Total Tons Shipped:	Shipped to:
-----	--------------------------------	----------------------	--------	------------------------------------	-------------

Total Tons Out of State Shipped:

OPTIONAL: Please provide estimates of the percentage of materials reported above that were generated by the following sectors:

Residential/Commercial:

100

%

Industrial:

0

%

Other:

0

%

Total:

100

%
